

# Ask Me About

Week of 10/2

- Our reading celebration! We have worked so hard to read our “Old Favorite” storybooks. We are using the exact words of our characters, expressing emotion and pointing to the words and pictures that we “read”.
- Ask me who my 3rd grade buddy was today that I got to read to!
- My first “published” book! I wrote a story about something that happened to me and I worked on it for several days! I added to the pictures, wrote some words, and some stories even have speech bubbles! I’ll be bringing it home soon!
- How I keep track of objects that I count when they are in a circle or scattered. (I can mark where I start, line them up or move them as I count so I don’t count any twice!)
- Sight words!! We are beginning to learn sight words! These words can’t be sounded out and we should read automatically.
- My sight word song. It’s in my homework folder behind the class information page in the plastic sleeve. See if I can sing it for you using our 2 new sight words, the and to.

- Our fabulous flied trip to Rose’s Berry Farm!! What fun we had! Check out our webpage over the next day or two for some photos!
