

# Ask Me About

Week of 10/28

- Halloween! We focused all of our learning this week around what we are all thinking about—Halloween!
- How we made a class book about our Halloween costumes. We used some of our sight words to write like: “This is my (costume)”, and “I can see the (costume)”.
- Using the in a book to almost sing the words. Brown Bear, Brown Bear has a rhythm to it as we read. So do some of my books.
- Using punctuation to change our voices as we read. We know that when we see a question mark, our voices go up a bit at the end, and when we see an exclamation mark, it means we are loud, excited or angry.
- Solving problems in math in different ways. If Mr. Jones bought 5 pieces of fruit and some were apples and some were bananas, how many of each might he have bought? Could be 2 apples and 3 bananas, or 4 apples and 1 banana, or even 5 apples and 0 bananas.

\*\*Thanks for remembering to send back reading envelopes each day. We will pick new books to take home on Monday. We are so proud of our reading!

\*\*Don't forget—there is no school on Tuesday 11/5 for Election Day and no school on Monday 11/11 for Veterans Day. Please feel free to join us for our Veteran's Day assembly on Friday, 11/8.

\*\*Please help me welcome our new student, Lucas to the class. He comes to us from Naugatuck. We're glad to have him join us!
