

# Ask Me About

Week of 11/18

\*How I can use my voice to bring my books to life! I can use character voices, read with excitement, read with anger or read with sadness all by knowing what's happening in my book!

\*Choosing a super power and setting a goal. I can review my super powers, choose one to focus on and set a goal to improve with that power!

\*Book shopping! I will have a book shopping day each week where I get to choose brand new books for my reading box all by myself! I got to practice this week.

\*Pattern books. We've noticed when we read that lots of books have patters. (I.e. Here is the fox. Here is the box. Etc.) We wrote our own class pattern book about birthdays. We used the pattern "We can see the..." Ask me what I added to our book!

\*Using upper case letters to start a sentence and lower case letters for the rest of it. We're working hard to use our upper and lower case letters appropriately. We've started with our names and now we're practicing with our sentences.

\*Shapes. We're learning to make shapes on a geoboard. We're using the rules of shapes to solve shape riddles. (My shape has 4 sides that are all equal. Who am I?)

\*\*Reminder: Wed. 11/27 is an early dismissal. School ends at 1:05

\*\*There is no school on 11/28 or 11/29. Have a Happy Thanksgiving!
