

# Ask Me About

Week of 6/11

- Our fun reading times! “Whisper Wednesday” is one of our favorites thanks to Mr. & Mrs. Sciascia who made us cool “Whisper phones”!
- Readers’ Theater! We’re practicing the scripts for different stories and will get to perform them next week! (just for the class, not a public production) I’ve taken home my script to practice. Don’t let me forget to bring it back to school!
- Writing our memory books. We’ve been reflecting on our year and looking at all that we’ve learned this year and all the fun we’ve had!
- How I can practice my tens partners using a cash register! My friends can buy things and I make change! It’s so fun!!
- Using a number line to solve equations. I can start at one number on the number line and hop the next number in the equation to see the sum on the number line!
- Our dads!! What fun we had having “Popsicles with Pop”! Thanks to all the dads for all you do!!

\*Reminder: Next Friday at 12:00 is our End of Year Pizza party! I hope you can all join us to celebrate an incredible year!

\*Don’t forget, next Thursday 6/21 and Friday 6/22 are half days. There will be a 1:05 dismissal on both days.
