

Ask Me About

Week of 8/29

Welcome to our first “Ask Me About”! Each week I’ll email home an “Ask Me About” that will tell you a bit about what we did during the week. It is my hope that this will help keep you abreast of what we are learning in school and can generate conversation about school at home. I will put reminders or special dates here as well. I will post the “Ask Me About” on our class webpage each week in case you’d like to refer back to it.

So, here we go!

Ask Me About...

*Our “Mr. Potato Head Rules”. We have looking eyes, listening ears, quiet mouths, helping hands, walking feet and we sit on our “biscuits”!

*Different ways to be kind. We thought of a lot of ways to be kind to our friends!

*Counting and matching numbers. We played a game on the Smart-board where we rolled a die, counted the dots and covered the number that showed how many dots.

*All about our names! We sang them, clapped them, whispered them, put them together—you name it, we did it with our names! We even learned Mrs. Burt’s first name! We know to call her Mrs. Burt in class, though.

Reminders:

*Please send the blue “Home/School” folder back to school each day. This is where you can put any notes for me, lunch money, permission slips, etc. and I’ll do the same.

*Our Curriculum Night is scheduled for Wed. 9/12 @ 6:30pm. This is a night that I will share all of the things that your children will be learning this year in Kindergarten.
